

Raj Path Infracon- Setting New Benchmarks of Excellence In The Infrastructure Industry

Success needs perseverance, which our client Raj Path Infracon has achieved with unwavering courage and persistence. **Founded in the year 1996**, Raj Path Infracon has set numerous projects afoot in the past two decades. The company has completed projects in the corporate, cooperative, semi-government, and government sectors thanks to the commitment and hard work of its entire team.

With its headquarters in Pune, the company has managed to complete many critical projects across India efficiently and ahead of schedule. Our client Raj Path Infracon's MD, Mr. Jagdish Kadam, has provided exceptional leadership to significantly aid in the nation's infrastructural development.

One of their well-known projects, NS 62 on the Nagpur-Hyderabad stretch on the N.H. 7, which was twice foreclosed earlier and then allotted to Rajpath Infracon, which was completed 2016 well in time and inaugurated. Also the 148 Km Mula RHS Canal that was constructed as a collaborative effort between the World Bank and Maharashtra Water Resource Department was completed in 2014. However, what brought this Company under the limelight was their first World Record of paving 39.369 kms in the Satara district of Maharashtra, in a mere 24 hours, that too at the peak of the Covid19 pandemic. This was acknowledged by the India Book of Records too. Their next accomplishment of accomplishing the Guinness World Record, rocked the world! Rajpath Infracon was awarded the honour a special Excellence Award by the Ministry of Road Transport and Highways (MoRTH) under Azadi Ka Amrit Mahotsav, at the prestigious Vigyan Bhawan, New Delhi. The award was conferred at the hands of the Chief Guest Shri Om Birla, Hon. Speaker Lok Sabha in the presence of illustrious personalities Shri Nitin Gadkari Hon. Minister of MoRTH and Gen.(Dr.) V.K. Singh (Retd.), Hon. Minister of State, (RT&H) and Civil Aviation and the then NHAI Chairman Mrs Alka Upadhyay for this achievement in 2022. Not surprising, the Company has been identified for their stupendous performance and has been declared for the same Excellence Award in 2023, for the 2nd consecutive year.

RAJ PATH
INFRACON PVT. LTD.

Customer Story

Raj Path Infracon Pvt. Ltd. is the first ever Indian private company in the infrastructure-road construction segment to receive a Guinness World Records title for the longest piece of asphalt/bituminous concrete laid continuously between Amravati and Akola Districts on (NH6 old) NH53, India from 3 to 7 June 2022. Raj Path Infracon Private Limited recently built a bituminous concrete road measuring more than 75 km in single lanes equivalent to 42.2 km in double lanes. From June 3rd to June 7th, 2022, a new world record attempt was made to continuously pave the longest stretch of bituminous concrete. The project was conducted on National Highway No. 53, which connects the Maharashtra cities of Amravati and Akola. In order to set a new Guinness World Record, 105 hours and 33 minutes were spent paving nonstop. A new record was set, surpassing the previous one set by Public Works Authority-Ashghal in Doha, Qatar, which was 25.275 kilometers.

Their other remarkable accolades include:

1. Award for achieving the Builders Association of India's Technical Shirke Memorial Award for "Well-Built Structures 2022-2023" on February 8, 2023. The award was given based on factors such as economy, innovation, safety, staff, public welfare, and green initiatives.
2. The fastest-executed road project in the world for the year 2022 was the Technical Winners Award given by the Building Times at the esteemed Bauma CONEXPO India 2023 in NOIDA, India on January 31, 2023, to recognize the best infrastructure building.
3. The reputable Discovery Channel chose to do an exclusive feature on the new Guinness World Record that was achieved and the episode was aired in February 2023.
4. Received special recognition from the College of Engineering, Pune (COEP) Alumni in September 2022, when the honorable Governor of Maharashtra, Shri Bhagat Singh Koshiyari, bestowed upon them the 30th COEP Abhiman Award for their outstanding achievement in setting a new Guinness World Record for the esteemed institution.
5. The Maratha Entrepreneurs Association (MEA) in Pune presented a Special Excellence Award with gratitude for the "Inspirational story of making the Guinness World Record" in September 2022.
6. In September 2022, the Marathi Bandhkam Vyavasayik Association, Pune (MBVA) arranged a special ceremony to present the company with a "Special Award for Extraordinary Achievement of setting a new Guinness World Record 2022-23."
7. The Women's Development, Education, and Public Welfare Foundation in Kolhapur, Maharashtra, India, presented Rajpath Infracon with the "Sthapatya Bhushan" award in recognition of its exceptional accomplishments in the fields of infrastructure and civil engineering.
8. Rajpath Infracon is also the happy recipient of the "Vyapar Seva" award from Business Express in Sangli, India, and the Federation of Associations of Maharashtra.

Raj Path Infracon's success story is a testament to its commitment to innovation, safety, public welfare, and green initiatives. Their achievements have not only made them trailblazers in the field but also garnered respect and admiration from prestigious organizations and associations.

StrategicERP proudly stands as Raj Path Infracon's trusted technology partner, celebrating their remarkable journey of innovation and success. As Raj Path continues to break new ground, we envision ongoing growth and support through our ERP solutions, ensuring continued excellence in their exhilarating success and their future endeavors.
